WELFARE OF THE HORSE

The following Code of Conduct was elaborated by the FEI for all people involved in the welfare of competing horses. The purpose is to ensure the health and welfare of horses participating under FEI Rules and Regulations and protecting the good image of the equestrian sport. To achieve the widest possible publicity it must be included in the **Schedules** and it is recommended that it also be included in the **Programmes** of all major international events.

CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. *At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.*
2. *Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.*
3. *Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.*
4. *Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.*
5. *The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.*

MISCELLANEOUS

1. PROTESTS

All protests to be valid must be made in writing and accompanied by a deposit of CHF 150.- or equivalent.

2. DISTRIBUTION OF PRIZES AND INDEMNITIES

All prize money and all prizes in kind rewarded instead of prize money as well as reimbursements (e. g. transport charges, travelling expenses) will be distributed acc. to FEI-RG Art. 130.2 following the last competition at the latest. The scheduled prizes are gross amounts. The total amount of prize money shown for each competition in the schedule must be distributed. If fewer competitors take part in a competition than the number of prizes indicated in the schedule, the President of the Ground Jury is responsible for recalculating the prize money to be distributed.

Per competition 25 % of the competitors receive prize-money or prizes in kind rewarded instead of prize-money, however at least 5 competitors will receive a prize.

If riders have to be placed equally, the money value of the prizes in kind (e. g. a car) is divided accordingly. Settlement will be done per competitor. Depending on the agreement with the horse owner, each competitor binds himself, to pass on to the horse owners the prize money or prizes in kind rewarded instead of prize money. The organizer is allowed to deduct possibly outstanding debts of the competitor. Acc. to § 50a Abs. 4 this also applies to foreign horse owners. After having deducted the turnover tax from the prize money or prizes in kind rewarded instead of prize money the following income tax will be due: no taxes up to 250 EUR, 10 % up to 500 EUR, 15 % up to 1,000 EUR, 20 % exceeding 1,000 EUR; plus 5,5 % solidarity fee of the income tax. The tax deduction has to be confirmed on demand. Those foreign competitors being exempted from tax deduction are kindly asked to submit an exemption certificate either with the entry or on the first show day at the latest. Every competitor himself is responsible for the correctness of the details he submits.

3. Medical Card

OCs must draw the attention of all competitors that they must carry a medical card easily accessible for the Cross-Country Test. Medical Cards must be collected by the OC upon arrival to the competition and checked by the official doctor and the TD.

4. INSURANCES

All owners and competitors are personally responsible for damages to third parties caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

5. LIABILITY

The organizer declines any liability for property or pecuniary damage which may happen to visitors, competitors, grooms and horse owners through slight negligence of the organizer, his delegates or his assistants. He also declines any liability for theft, damages, fire or other incidents.

6. EVENT'S ORGANISATION

In exceptional circumstances, together with the approval of the Delegate of NF GER and Ground Jury the OC reserves the right to modify the schedule in order to clarify any matter or matters arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all competitors and officials as soon as possible and must be reported to the FEI Eventing Department by the Foreign Judge.

7. Stable Security

1005.2.5.1 and 1005.2.5.2 do not apply for CCI1*/2* or CIC1/2/3*.

8. For the protection of the healthy horses/ponies participating in the event, admittance to horses/ponies with infectious diseases will be strictly forbidden. In case of reckless or intentional violation of this regulation, the owner of the respective horse/pony can be made fully liable.

9. Time table and details on the event will be sent to the competitors after closing date of entry.

10. Court of jurisdiction for all disputes is Radolfzell (except any appeal against a decision rendered by the FEI or its official bodies). This will be acknowledged by signing the entry.
